STREAM-TIME

STREAM Clubs have started and it's hard to see who is having more fun - the students or moderators!! If your child is in a club, please remember that they should be picked up at 4pm on the west side of the building at the Kindergarten gate (closest to the marquee). Please feel free to email the moderator if you have any questions!

Too Many Tamales!!

PK4-A got into the spirit of Hispanic Heritage Month by reading the book "Too Many Tamales." This is the story of a girl named Maria who slips on her mother's wedding ring and thinks she accidentally lost it in one of the many tamales that she and her family made. Maria and her cousins have to eat all of the tamales that they made to find the missing ring. After reading the story, PK4A made their own non-edible Mexican tamales by rolling Play-Doh into real corn husks. The children enjoyed this hands-on activity, and little did these students know that they were developing their fine motor skills and learning about Mexican culture while doing so!

Thank you!!

With over 120+ golfers, our 32nd Annual Monsignor Doyle Golf Tournament was held Friday, October 7th, at the beautiful Miami Shores Country Club. The fellowship, food, drinks and course were enjoyed by all who participated in this milestone event as we continue to launch the opening celebration of our parish's 75th Anniversary!

If you played, donated or volunteered in the tournament, we cannot thank you enough! The event, along with the sponsors and donations, exceeded our expectations. We couldn't have done it without the support and generosity of our dear friends.

The SRL Golf Tournament was created with the intention to support our school's many engaging programs and initiatives. Over the years, proceeds have funded curriculum resources, classroom materials, expansion projects, and so much more!

St. Rose of Lima is a leader in Catholic education thanks to the collaborative support of our parishioners, school families, friends and the remarkable efforts of the school's faculty and staff.
