## It's Slime Time

**Question:** When is it okay to get messy?

**Answer:** When you are in **SLIME CLUB!**

Have you heard about the new **SRL STREAM club that is a really gooey hit with the students??**

Well, Slime Club is the place to be! Creating and playing with slime promotes mindfulness, increases focus, encourages positive interactions with friends, increases fine motor skills and is calming - but the kids like it because it is gloopy and stretchy! Not only do they get to create their slime, but they also take it home to share with their families. Slime...the gift that keeps on giving! Just take a peek at how much fun the members are having!
